Thank you for your support and interest in Cowiche Canyon Conservancy! The past year has been an extraordinary one. Our lands have never been so relevant to our community's well-being, to our collective mental and physical health and our essential connection to the natural world. The number of people experiencing CCC lands over the past year has increased significantly. In just the past two months, our Scenic trailhead saw over 14,000 users. More usage brings new challenges, of stewardship and trail maintenance, and a need for programming that connects people to the shrub-steppe in meaningful and educational ways.

A community asset requires continued community support. In lieu of our annual Cowiche Canyon Rocks event, we invite you to invest in Cowiche Canyon Conservancy lands and programs with a sponsorship for several smaller, outdoor, in-person fundraising events. We invite you to join us as a sponsor and support a community asset that has so many benefits for so many of us! Thank you for your consideration.

Warm regards,

Celisa Hopkins
